## Wicks & Sticks Showcase Event

Our Junior Entrepreneurs had a fantastic day today as they showcased their mini-company Wicks & Sticks. For months now, 6C have been working on their business project—a candle making company. Their candles were made in their classroom under the guidance of Mr. O'Riordan and mentoring from some wonderful real-life business people. We are very proud of the work that has been achieved and the learning that the boys have taken from the project. We hope everyone enjoys their candles!
