Sports Day

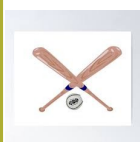

1st—6th Class

students had a busy Sports Day on Wednesday and we hope they enjoyed all the different activities. We were very lucky with the weather and thankfully the rain held off!

Infants Sports Day

We are hoping to run our Junior & Senior Infant Sports Day on Tuesday (weather permitting). We will confirm arrangements on Monday once we have a better idea of the weather forecast.

Rounders Competition

Well done to all the boys who took part in the Cumann na mBunscol Rounders competition last week. The 3 teams played against tough opposition. Our 5th & 6th Class Team has reached the finals, these will take place next Tuesday, 17th June in the Centre of Excellence in Portlaoise. We are awaiting more information on the times of the matches. There will be an extra training session for the team on Monday from 2:30-3:30pm.

Swimming 1st - 3rd

The block of swimming lessons is complete. The boys made great progress, which we hope will stand to them, especially with the summer approaching. Please ensure that you have completed the swimming payment on Aladdin so that we have the funds to pay the swimming pool.

School Tours

The school tours are all over for this year. We hope the boys enjoyed their trips. Parents are asked to check their Aladdin payment page to ensure that any outstanding tour payments are made before the end of term. The school does not receive any grant funding to subsidise school tours and needs to collect the cost of these trips from parents.

New Infants Play Date

We had a great turn out at Monday night's meeting for new parents. We are now looking forward to meeting our new Junior Infants. They are due to visit on Monday 16th June from 1:45pm - 2:30pm

1st GAA match

A team of our Ukrainian boys played their first GAA match for the school today in a friendly v. Sandy Lane NS. They displayed some great skills and sportsmanship. Well done to all involved!

Annual Reports

Annual school reports will issue next week. These reports provide lots of information to parents about your child's learning during the year. You will receive a link through Aladdin to open the report. If you have any questions about your child's report please get in touch with your child's teacher. School reports will also include standardised test results. Please see the leaflet attached for more information about how to understand Sten scores. Here is a short video about the reports: <https://ncca.ie/en/primary/reporting-and-transfer/>
