Swimming

We made a start to our swimming lessons this week. It is important that all boys participate because swimming lessons are a mandatory part of the PE curriculum in primary school. It's a great way for them all to improve on their skills. The cost of the block of lessons is €33 and it can be paid through Aladdin. Please ensure that the boys remember to bring their swimming gear to school on Thursdays (Classes 3B, 4th Class, 5th Class & 6th Class)
